

The tablet that can replace your laptop

Microsoft Surface Pro 4 is an extremely thin Intel® Core™ laptop with a brilliant high-resolution touch screen, innovative click-in keyboard¹, excellent battery life, and it is built to run the software you rely on.

Intel Core processor!

Thinner and lighter

Exceptional performance

Surface Pro 4 features the latest 6th generation Intel Core processor and great battery life so you can get work done.

True versatility

Surface Pro 4 was designed to adapt to you. Work with touch and Surface Pen in tablet mode, or fold out the Type Cover¹ and integrated Kickstand when you need a laptop.

Plenty of ports to connect to monitors & printers

Type Cover

Multi-position Kickstand

Pen included

Surface Pen writes and erases naturally

As smooth as using your favorite pen, Surface Pen can even markup web pages. And Palm Block technology means you can rest your hand on the screen while you write.

Windows 10 enables a powerful, personalized experience

Surface Pro 4 makes your work life easier in incredible new ways. It runs Windows 10 and the desktop software you rely on. Advanced technology from Microsoft, such as Cortana², Windows Hello, and improved Surface Pen, puts you in control.

Windows Hello - no password required

Confidently run Office 365, AutoCAD, QuickBooks¹, and more

Docking Station - click in to power and peripherals¹

Click Pen to bring up OneNote

Trusted by organizations

Surface Pro 4 smoothly folds into your existing infrastructure and Windows 10 helps protect against modern security threats. IT can set up Surface like other PCs, by joining it to a domain, and managing it using tools already in place like Active Directory, SCCM, and Air Watch.

Backed by the best

Protect your Surface investment with Microsoft Complete for Business which extends your warranty, covers damage, and includes Advanced Exchange.

➔ Get productive with Surface Pro 4

1. Sold separately; 2. Cortana is available in select global markets at launch; experience may vary by region and device
